

I DO NOT wish you, the FCC, to change/modify the NJ DoNotCall program.

I have never been more happy from telephone solicitors NOT being able to bother me. And I DO NOT want any calls from anyone I've done business with, as far back as one day to 18 months. If I wish to do business with them, I will call them. My telephone is my "private" number, and should only be used for MY personal business. NOT TO BE HARASSED day AND night, persistently, through/by marketeers/solicitors.

Business list their number in yellow pages to specifically invite calls. Mine is NOT in yellow pages. Don't disturb my peace at home by changing our state law. YOU have no right to.
